Within Marsh's Global Sports & Events Practice, we partner with you to define your exposures, design adequate risk management strategies, and deliver efficient solutions. Our team can assist you with the following:

- Insurance programme design:
 - Cancellation/abandonment/postponement.
 - Contingency (non-appearance, prize indemnity, contract bonus, adverse weather).
 - Liability.
 - Personal accident.
 - Assets.
- Claims management services.
- Contract analysis and review.
- Risk identification, assessment, and mitigation.
- Risk management framework design.
- Health and safety programme design and services.
- Event risk analysis.
- Contingency planning.
- Venue safety audits.
- Incident notification and management platform (Marsh ClearSight).
- Operational readiness exercises (tabletops and simulations).
- Emergency response and evacuation planning.
- Crisis management planning.

WHY MARSH

- The world's leading risk specialist.
- More than two decades of experience in sport and global events.
- Proven risk solutions specifically designed for the sports and events industry.
- Consultants with real-time operational experience, including risk and insurance management for the Olympic Games, the European Football Championship, and the Wembley National Stadium.
- High-powered analytics: an extensive database of risk issues, insurance solutions, claims statistics, and case studies.
- Specialised insurance solutions for sports federations and governing bodies
- Proven ability to reduce your total cost of risk.
- Provision of integrated solutions that protect your image.

Marsh is a global leader in insurance broking and risk management. We help clients succeed by defining, designing, and delivering innovative industry-specific solutions that help them effectively manage risk. We have approximately 30,000 colleagues working together to serve clients in more than 100 countries. Marsh is a wholly owned subsidiary of Marsh & McLennan Companies (NYSE: MMC), a global professional services firm offering clients advice and solutions in the areas of risk, strategy, and human capital. With more than 54,000 employees worldwide and approximately \$12 billion in annual revenue, Marsh & McLennan Companies is also the parent company of Guy Carpenter, a global leader in providing risk and reinsurance intermediary services; Mercer, a global leader in talent, health, retirement, and investment consulting; and Oliver Wyman, a global leader in management consulting.
